

MARINE

SURFACE & OUTDOOR FABRIC CLEANER

Clean tough stains and heavy soiling from mold & mildew, fish blood & bait soils, bird deposits, and more with our easy-to-mix powder formula. Highly effective on tough-to-clean vinyl and fabric.

LESS CHEMICAL

Dot's patented chemistry allows Dot® to use substantially less chemical than competitor products. This means a better environment for your family, and better working conditions for the pros.

LESS WASTE ON THE JOBSITE

Our pocket-sized Dot pouches use only 1/20th the packaging of competitor brands, significantly reducing waste produced on the job.

LESS ODOR

Less chemical means less odor - better for homeowners & workers alike! This ensures minimal disruption for your family and no strong lingering smells.

REJUVENATES SURFACES

Our patented Dilute Oxidation Technology keeps working until the surface is dry, leaving the surface looking like new.
